

Your questions answered

Where do I park?

Please park considerately in the designated patient and visitor car parks shown on the maps. We are a working hospital and if you don't 'pay and display' your ticket in the Pay and Display car parks, do not park in a designated marked bay, or park blocking other car park users, you will be issued with a Parking Charge Notice.

How do I pay?

There are two types of visitor car parks on our hospital site:

Pay and Display – use one of the machines and display your purchased ticket in your windscreen - failure to do so will result in a parking charge notice.

Pay on Foot – take a ticket at the barrier and pay at a machine on foot before returning to your car. Please follow the instructions at each machine. These machines accept credit/debit cards.

I am Disabled – do I have to pay for parking?

Disabled users may park free in disabled spaces across the two hospital sites. Please be advised this only applies to marked disabled bays, and if you are unable to find a vacant disabled space, you must pay for your parking at patient and visitor rates advertised. The Hospital sites have a large number of disabled spaces available throughout the patient and visitor car parks, but as you are aware from your blue badge handbook, the rules governing private land enable charges to be levied to all users parked on private land. Please note that failure to observe this ruling will result in a Parking Charge Notice being issued to your vehicle.

A full set of Terms and Conditions is displayed at each visitor car park - copies are also available from The Parking Shop on site.

Parking charges

How much does parking cost?

Shown below is the current parking tariff, for the Gloucestershire Royal Hospital site:

Up to 1 hour	£1.50
Up to 2 hours	£2.90
Up to 3 hours	£4.10
Up to 4 hours	£4.90
4 - 6 hours	£6.00
Up to 24 hours	£8.20
